

Honor an Educator

Showing appreciation for the teachers and staff of Warsaw Community Schools who make a difference in the lives of children

Looking for a special gift for an educator to show your appreciation for their work in the classroom, on the field or court, and at after school activities? Make a donation to the Warsaw Education Foundation and we'll deliver an "Honored Educator" pennant or engraved pin and your personal note, before the school year ends on May 24, 2019.

Yes!

I would like to make a donation to the Warsaw Education Foundation and honor a very special educator.

Enclosed is my gift of \$ _____
(\$10 suggested minimum covers pennants/pins)

honoring _____

at _____ school/building.

Outstanding teachers, administrators, and staff are the essence of Warsaw Community Schools' reputation for excellence. Warsaw Education Foundation has developed the "Honor An Educator" program to help our community show appreciation for its schools and the individuals who make them work. Your gift will honor a very special educator today and continue to help educators and students into tomorrow!

**Honor an Educator
brought to you by**

Here's How the Program Works:

- Donations of any amount can be made to the Foundation in honor of any Warsaw educator (i.e. teacher, bus driver, secretary, custodian, principal, cook, etc.) who works within our schools.
- The first time an educator is honored, he/she will receive an "Honored Educator" pennant to display. With each subsequent donation made in his/her honor, a new engraved pin will be sent to attach onto the pennant. Your personal message, along with acknowledgement of your donation, will be carefully transferred onto an award certificate and delivered with your gifts.
- **Your donation will directly impact the students of Warsaw Community Schools through the "Red Apple Grants" awards. These grants are presented to educators each year for creative and enriching classroom projects. Donations also help support Chess Tournaments, Partnership Program, N.E.W. Workshops, scholarships and many other projects.**
- Your gift is tax deductible and a receipt will be mailed to you. Donors will be recognized in the Foundation newsletter and on the Foundation website, www.WarsawEducationFoundation.org, so please list your name as you would like it to appear. The Foundation sincerely appreciates your support to help enhance education for our community's youth.
- **Your award form must be postmarked or delivered to your school office by May 3, 2019. The awards will be delivered to recipients before the school year ends on May 24, 2019.**
