

# THE APPLE

*Investing in academic excellence today;  
returning excellent leadership tomorrow.*

2017 Annual Report

## A Message from the Board President

Dear Friends,

Could there be a more noble pursuit than to champion academics?

While this may be debatable, it is what we work toward and strive for every year at the Warsaw Education Foundation. Every semester, we vote on creative grant proposals from teachers throughout Warsaw Community Schools. We get to fund unique, cutting edge, and creative ideas to enhance and supplement our student's learning.

Each year W.E.F. supports and sponsors the annual WCS Chess Tournament and the N.E.W Opportunities Workshop for Warsaw Community High School sophomore girls. W.E.F. also provides scholarships for students to attend Summer Enrichment Camps.

W.E.F holds an annual Celebration of Excellence for top WCHS Students. We provide an opportunity for families and the community to recognize special educators in their lives with the Honor an Educator program. Our signature fundraising event, The Community Quiz Bowl, brings together hundreds of community members, business leaders, service organizations and educators to raise the funds to ensure we can continue to champion academics.

Thank you to our donors for helping us continue these efforts for a 31st year!

Sincerely,

*Susan Findlay*

Susan Findlay  
President, Warsaw Education Foundation

For information about the Warsaw Education Foundation, please contact Barb Smolen, WEF Executive Director, at 574-371-5098, extension 2410, via email at [Edfoundation@warsawschools.org](mailto:Edfoundation@warsawschools.org), or visit our website [www.WarsawEducationFoundation.org](http://www.WarsawEducationFoundation.org).

### MISSION STATEMENT

*The Warsaw Education Foundation champions academic innovation and excellence in Warsaw Community Schools.*

### Spot-Light on Red Apple Grants

(Above) EASELS & DRAWING BOARDS: ENRICHING OPPORTUNITIES FOR ART EXPLORATIONS

"I challenged students to draw only what they saw in front of them. This made them look deeper at their surroundings to find details they may have overlooked at first glance."

-Kaitlyn Murphy, Harrison & Eisenhower Elementary

(Below) *WARSAW CHESS CLUB ENHANCEMENT* – Chesskid.com app teaches students chess concepts in a simple and fun to learn manner

"This app really helps with the fine tuning of moves in chess. I see huge advancements in the chess clubs in our district."

-Melinda Oliver, WCS Chess Coach

The Lakeview Middle School #2 team captured the 2017 Community Quiz Bowl Championship. Pictured L-R: Barb Smolen (WEF Executive Director) presents the winning trophy to Bryon Weinstein, Rogge Merriman, Paul Monroe, and Christy Metler.

## 2017 Community Quiz Bowl

Warsaw Education Foundation's signature event, The Community Quiz Bowl, raised over \$20,000 for education when it was held in March 2017 in the Tiger Den at Warsaw Community High School. The Quiz Bowl featured 46 teams from area businesses, community organizations and Warsaw Community Schools staff who competed by correctly answering questions in categories titled *2016 Year in Review*, *Academics*, *U.S. Landmarks & National Treasures* and *Every Day's a Holiday* . . . Lake City Bank provided half-time refreshments and Larry Peppel was master of ceremonies.

For a complete list of sponsors and participants see Page 4.

## Red Apple Grant Funds Raised at 2017 Community Quiz Bowl

At the 2017 Community Quiz Bowl, the Warsaw Education Foundation raised funds for a Red Apple Grant awarded to MakerSpaces at Edgewood and Lakeview Middle Schools, Leesburg and Madison Elementary Schools, Gateway Education Center and WCHS. Quiz Bowl attendees very generously contributed over \$2,000 that evening. We were able to award \$350 to each school's MakerSpace. MakerSpaces allow students to develop skills important to college and career readiness which include, but are not limited to, deep understanding, entrepreneurship, technology, computational thinking, innovation, metacognition and design thinking.

Left to right, seated: Wendy Kovach, Connie Watters, Angela Kelly, Barbara Beck, Standing: Barb Smolen (WEF Executive Director), Jean Beeson, Amanda Scroggs, Susan Eberhardt

## 2017 N.E.W. Workshop

Sophomore girls from Warsaw Community High School have the opportunity to attend the N.E.W.(Non-traditional Employment for Women) Opportunities Workshop sponsored in-part by Warsaw Education Foundation. This day-long workshop features round table discussions with female experts in careers where men are in the majority. Part of the day includes "try-it" activities such as, carpentry, electrical circuit wiring, welding, suturing and practicing flying on an airline flight simulator.

Local radio broadcast celebrity, Rita Price, shares her story as one of only a few women play-by-play sportscasters when she began her on-air career in the 70's.

## Honor an Educator

The Honor an Educator program provides an opportunity for community members to thank a special teacher or staff member in Warsaw Community Schools by making a contribution on their behalf to the Warsaw Education Foundation. Honored Educators receive a special recognition package which includes a pennant, engraved pin and personal message from the donor.

### Honored Educators - May, 2017

# Recognizing Excellence

## Academic Excellence Awards

The top twelve students, based on cumulative grade point average, of grades nine through twelve at Warsaw Community High School were invited to attend an awards reception in June 2017. In front of their families, WEF Board Directors, WCS Administrators and staff as well as members of the community, they were each presented a plaque from the WEF and a congratulatory letter and certificate from U.S. Congressman Jim Banks in recognition of their outstanding achievement. Congratulations to:

### Grade 9

Logan Anderson  
Mackenzie Connolly  
Jacelyn Ellinger  
Mikayla Franklin  
Megan Goodwin  
Taylor Gunter  
Katherine Jones  
Gustavo Lopez Torres  
Bryan Rivera

# Still Growing and Enjoying!

In the spring of 2014, Scott McClintock, Jefferson Elementary School teacher, received a Red Apple Grant to plan, plant and maintain raised garden beds. He told us, "I hope it will be a life-long, lasting impact where (students) appreciate a garden and fresh vegetables." In the fall of 2017, Mr. McClintock sent us this photo of his students' most recent harvest!

After four years of planning, planting and harvesting, students at Jefferson Elementary are "still growing and enjoying" the fruits *and* vegetables of their labor. The entire school benefits from annual "tastings" that introduce students to all the many vegetables grown in the Jefferson Spartan Garden.
